Aerospace Controls
• Position Verification Switches
• Oil and Temperature Switches
• M1 Tank Hydrostatic Transmission
  Switches (7 total)

Interconnect Solutions
• Communication Devices
• GPS Systems
• External Antenna Interconnect
• Engine Fuel Systems
• Transmission Interconnect
• Cabin Firewall Interconnect
• Brake Systems
• Sensor and Radar Devices

Enidine
• Engine Isolation Mounts
• Hatch and Access Cover Actuators
• Shock Isolating Struts for Vehicle Seats
• Vehicle Suspension Dampers for Munitions Trailers
• Hydraulic Dampers for Armored Vehicle Doors and Stairs
• Custom Elastomeric Shock and Vibration Mounts
• Isolation Mounts for Vehicle Electronics and Displays
• .50 Caliber Recoil Buffers for MK93 Weapon Mount

ITT Control Technologies product lines are continually expanding to provide our customers with solutions for applications in military wheeled and tracked vehicle applications. Our extensive knowledge and experience within these industries enable us to provide our customers with superior analysis, products, services and support.

ITT Cannon
666 East Dyer Road
Santa Ana, CA 92705
